DOCTOR OBED GRIDLEY,

That renowned and Celebrated Naturopathic Physician, who was very unexpectedly called from St. Albans to attend sickness in his family, will return on Monday, May 25th, and remain at the St. Albans House until June 11th, for the healing of the sick and afflicted. There is well authenticated information of very many remarkable cures having been performed by the Doctor, from those who have received his treatment. He has also at his command testimonials from many prominent, respectable and honorable citizens from this and the adjoining counties, testifying to his great method and skill of treating diseases. It is evident the Doctor possesses a great gift for treating diseases successfully. How and where he obtained such powers are as yet unknown, but the fact he has established. Every new case adds laurels to his high reputation. P. S. The Doctor further states that in the future he hopes not to disappoint his friends, but will meet his engagement at the appointed time in St. Albans.
